Radio station WYNO is in compliance with the commission's guidelines regarding RF radiation. The continued operation of our transmitter and the location of the tower have no significant impact on the environment due to the remote location of the tower and nature of the grounds.

Dear Licensee:

Review of the above-referenced renewal application indicates that it is deficient in the manner described below:

- [X] the information provided regarding the station's environmental impact (including radio frequency radiation) does not demonstrate compliance with 47 C.F.R. Section 1.1307) (see enclosed clarification);

Processing of the application cannot be completed until the noted deficiency has been corrected. Accordingly, please submit the required information as an amendment to the application, in duplicate, to Room 302 of the Commission, attention Lakisiha J. Young. If you have any questions concerning the above, please contact Ms. Young at (202) 632-6485.

Sincerely,

Larry D. Eads
